School, Birmingham

5 GCSE

EXPERIENCE

I have work experience as a front end developer intern at Dovelp where I used the MERN stack to develop projects, and I worked with clients remotely, and at Green Doors as a contractor

PROJECTS

I worked on multiple projects at Dovelp where we developed a gallery and a cinema site, using React and Node.js, I learnt how to problem solve in react and learnt how to use React router, at Green Doors my main role was code refactoring and changing codes to a more readable code

LANGUAGES

HTML5, CSS3, JAVASCRIPT, PHP, REACT, NEXTJS, MONGODB DB, TAILWIND, TYPESCRIPT, MYSQL, REACT ROUTER, PHP, NODE.JS EXPRESSJS
